Roll Call vote taken at 6:10pm: Present, Sandra Estabrook, Jo Simone, Rob Hallock, Trisha McCarthy & Lorene Melvin-via phone

Guest: Lynne Jefferies

Discussions:

1. Send letter to ZBA regarding the Landscaping Plan for 125 Development asking them to put in writing what the role is for the conservation commission regarding the landscaping plan. Copy Sandy and Chair of ZBA. Lynne Jefferies stated she felt one row of growth(plans/trees) wouldn't be sufficient to fill in the area between the residential and commercial zone. She stated some lower growth with berries. Also want to know who did the landscape plan.
2. McCarthy did send a letter to Planning board for payment of plan bond on 26-28 Thornell Rd.
3. Application received from Recreation Commission for beach sand, but application is incomplete. Simone will take back to recreation.
4. Earth Day is 4/22/24. We will reach out to the community to see how they can participate. Also, McCarthy will get seeds to be planted on earth by the entrance to Busch Farm.

Motions:

Motion by Estabrook to approve minutes from 1/18/24(at 10am), as written, second by Simone, all in favor.
