

TOWN OF NEWTON

SURVIVING SPOUSE POLICY MEDICAL and/or DENTAL COVERAGE

(Selectmen's Meeting January 4, 2005)

1. The Town offers coverage for the surviving spouse of a deceased retiree.
2. Coverage is provided for the surviving spouse of the deceased retiree only if the surviving spouse is eligible for a New Hampshire Retirement System benefit/subsidy.

Offering coverage to a surviving spouse does not mean the Town is obligated to contribute to the cost of the coverage.
