

STORM PROOFING YOUR PROPERTY

The Effects of *Wind*, **ICE** and **Snow** on Trees, People and Property

A FREE program for the patrons of New Hampshire's libraries

1. Learn how different types of storms affect trees and property
2. Learn how to make property safer from storm damage
3. Learn how to properly plant and maintain trees to reduce the chance of damage to property
4. If a tree is defective, learn who to call to assess the situation
