Added Signature page and amendment page (Diane Morin)  
Changed seasonal resident to include self-addressed envelope. Added number 5. Removed number 11, trash hauling (Diane Morin)

Town of Newton NH  
Resident Sticker Policy

## RESIDENT STICKER POLICY

Resident Stickers will be issued to Newton Residents only (those that claim Newton as their primary place of abode).

Newton Seasonal Residents may apply to be issued a temporary mirror tag by the Selectmen's Office that will be good from January through December of the current year. Requests in writing may be made to have the temporary tag mailed to their address provided a self-addressed stamped envelope is included. (Amended 08/17/2021)

The following list is intended to verify the resident sticker number with the registration plate number, to protect Newton's tax-payers use of the Transfer Station, Town Beach, Greenie Park and the Wilder's Grove Road Boat Access.

1. Only one sticker will be issued per car registration. Limit two stickers per household. Stickers may be purchased for \$5.00 each for any additional vehicles over the limit. (Amended 08/01/2017)
2. Resident must show the car registration for the vehicle on which the resident sticker will be affixed. (Amended 12/08/2008)
3. *New Residents must provide "proof of residency" (i.e. sales and purchase agreement, property deed, tax bill etc.) before a sticker is provided. A temporary mirror tag will be issued by the Selectmen's Office until the car is registered in Newton, NH and their license is changed to a NH Driver's License.* (Amended 12/08/2008)
4. Residents using another person's vehicle may be issued a *temporary permit (mirror tag)*. Resident will need to provide to the Selectmen's Office proof of residence. This permit will be issued to the resident's physical address not to a specific vehicle. (Amended 04/02/2018)
5. The Town Clerk may issue a permanent residential sticker to a resident using a business or commercial vehicle as their main vehicle for the purpose of hauling their own trash by providing proof of residency. (Added 08/17/2021)
6. Sticker must be visible through the windshield of the vehicle, or vehicle may face the risk of being towed and/or issued a parking violation if parked at the areas of the Town Beach, Heath Street Recreation Area or at the Wilder's Grove Road Boat Access. (Amended 01/21/2008)

Town of Newton NH  
Resident Sticker Policy

7. Transfer Station Access Requirements:  
The Plate # will be written on the resident sticker before issuance and the resident sticker must be affixed in the lower left corner of the windshield to enter the facility. (Amended 02/17/2010)
8. The Town Clerk/Deputy Town Clerk will verify the car registration and will mark the town and the resident's copy of the car registration, with the same color as the sticker color, showing that a resident sticker has been issued for that vehicle.
9. If the vehicle is sold or the plates are transferred to another vehicle, a replacement sticker will be issued, free of charge, if all or the majority of the resident sticker is provided at the time of the replacement request; otherwise a replacement sticker will be issued for a cost of \$5.00. (Amended 08/01/2017)
10. Campers are not considered temporary or seasonal residents and are ineligible for resident stickers or temporary permits (mirror tags). (Amended 08/01/2017)
11. Commercial/Industrial businesses are required to obtain private rubbish pick-up service. Such rubbish shall not be deposited at the Newton Transfer Station.
12. Newton residents can deposit and remove reusable household items at the Transfer Station in the area designated for such use, now known as the "Swap Area" and can deposit cordwood that do not exceed two (2) feet in length in the "Cordwood Area". (Amended 12/08/2008)
13. Newton residents are allowed access to the compost pile for drop-off and removal.
14. No other items can be removed from the Transfer Station except on explicit written authorization from the Board of Selectmen (i.e. metal, aluminum, newspaper, etc.).
