TRUSTEES OF THE TRUST FUNDS

CEMETERY TRUSTEES

The Cemetery Trustees have had a busy year. Warren Stocker was instrumental in giving Highland Cemetery the rock that currently stands in front of the Cemetery. In 2006 the rock will finally receive its sign.

Highland Cemetery also received new gates and in the back the fence has been extended.

The tarring of the roadway in Highland Cemetery has been postponed due to the extreme cost that would be incurred due to the clay like soil that Highland Cemetery has.

Willow Grove grass is slowly improving with the hope that this year will continue to show improvements.
