AREA HOMECARE & FAMILY SERVICES, INC.

For almost 35 years, Area HomeCare & Family Services has been providing home care services to Newton elderly and people with disabilities. In our fiscal year 2006, we served 20 elderly Newton residents with 2,093 hours of direct in-home care. Your Town contribution is an important part of our fundraising effort.

Our mission to provide homecare services and companionship to help the elderly of Newton stay in their homes for as long as they can. We are part of a State system of a community-based plan of care for our elderly and people with chronic illness. If you know of an elderly person who needs assistance in daily home care tasks, please call us. We will have some of our brochures in your Town offices.

Additionally, we have a program called **Project CoolAir** – a program that will buy air conditioners for low-income elderly in Newton. If you know of anyone who needs an air conditioner – give us a call.

We look forward to a continued working relationship with Newton.

Respectfully submitted,
Gordon McColleston, CEO
