

TOWN CLERK'S REPORT

January 1, 2014 – December 31, 2014

There have been a few changes in the Town Clerk's Office this year. In an effort to have credit/debit cards acceptable as a form of payment, my office is now a "one check" town, meaning that you only need to write one check, payable to the Town of Newton, for vehicle registrations. This method must be in place before implementing debit and credit form of payment.

I am pleased to inform you that my office now issues Hunting & Fishing Licenses, and registers OHRV and snowmobiles. Boat registrations were authorized in 2013 after being put on hold a while back, until the DMV added this capability in their MAAP software.

In 2006, my office began offering online vehicle registration thru EB2Gov, an Interware program utilized by many cities and towns throughout the state. In 2014, I added the capability of renewing dog licenses, and ordering Vital Records, through the same program. Visit our website at www.newton-nh.gov and click on the "Online Resources" link.

Please know that in the Clerk's Office, our mission is to always conduct Town business with efficiency and effectiveness while catering to our residents. If you want to stop by, the door is always open for any questions or concerns. Please come on by and say "hi!"

Revenues Collected
