TIME: 6:00PM
CONFERENCE CALL

PUBLIC MEETING MINUTES

The Board of Selectmen attended a meeting held by the Department of Transportation (DOT) to take public input for the improvements at the intersection of State Route 108, Amesbury Road and Maple Avenue. In attendance were Chairman Matthew A. Burrill, Selectmen Lisa L. Gonyer, Kathryn Michaels, and Charles R. Melvin Sr.

Representatives from DOT presented 2 possible alternatives to improve the intersection. One is a 4-way stop and the other a roundabout. They also presented the environmental and historical impact changes that will affect the area. A proposed schedule for the project was presented.

The meeting was opened to the public for comments and questions.

The DOT would like to have the Board of Selectmen provide them with the Town's preference between the two options by the end of September 2020.

The meeting ended at 7:55pm.

Respectfully submitted,

Diane M. Morin
Board of Selectmen Secretary
