Call to Order by Chairman Wilson, Roll Call Vote, meeting opened at 6:00pm

On conference call: Chairman Molly Wilson, Trisha McCarthy, Alicia Geilen,  
Motion by Wilson to have Geilen by a voting member in place of Sandy Estabrook, Second by  
McCarthy

Minutes were transcribed and typed by Trisha McCarthy.

- McCarthy wanted ideas for the Earth Day gifts that were supposed to be delivered to the Memorial School, but now school is closed due to Covid-19.
- Earth Day “cork pots, soil & lavender seeds”. Wilson motions to have McCarthy Deliver the Earth Day gifts to Packer Meadows. Discussion: Originally, they would have gone to the Memorial School, but the school is closed due to Covid-19, and rather than letting these lovely planter containers die, it was decided to give them to the residents at Packer Meadows. Larry Foote the EMD Director will help McCarthy deliver these 55 containers. Second by Geilen, all in favor.
- Motion by Wilson to adjourn at 6:20pm, second by McCarthy, all in favor.

Respectfully Submitted, *Trisha McCarthy*
