- Discussion:
 1. Unitil Electric is requesting a Public Hearing to cut and trim trees on some Scenic Roads. Conservation will plan the Public Hearing and post in Newspaper and on Website. Motion by Slombo to schedule hearing based on availability of hall and Unitil Representative, second by Estabrook, all in favor.
 2. Someone to Contact former member, Peter Mears re: keys to pole gates
 3. Discussed Alteration of Terrain (app#081106-01, wps-8362A). Send letter to DES for status update on this permit.
 4. Discussed 72-74 Whittier Street (homeowner-Greenwood). Culvert seems to be working correctly. Home owner completed work as requested by Conservation Commission during site walk last year.

5. There will be no Conservation Meeting on 1st Thursday in March because we will have the regular meeting on the date for the Public Hearing regarding Scenic Roads.
6. Discussed future site walk on 70 Smith Corner Road, Newton, NH. To determine Alteration of Terrain has ceased as requested by Conservation Commission last year.

Slombo motioned to adjourn at 8:40pm
Gonyer second and all in favor

Respectfully submitted,

Trisha McCarthy
