NH DHHS COVID-19 Update – April 24, 2020

Concord, NH – The New Hampshire Department of Health and Human Services (DHHS) has issued the following update on the new coronavirus, COVID-19.

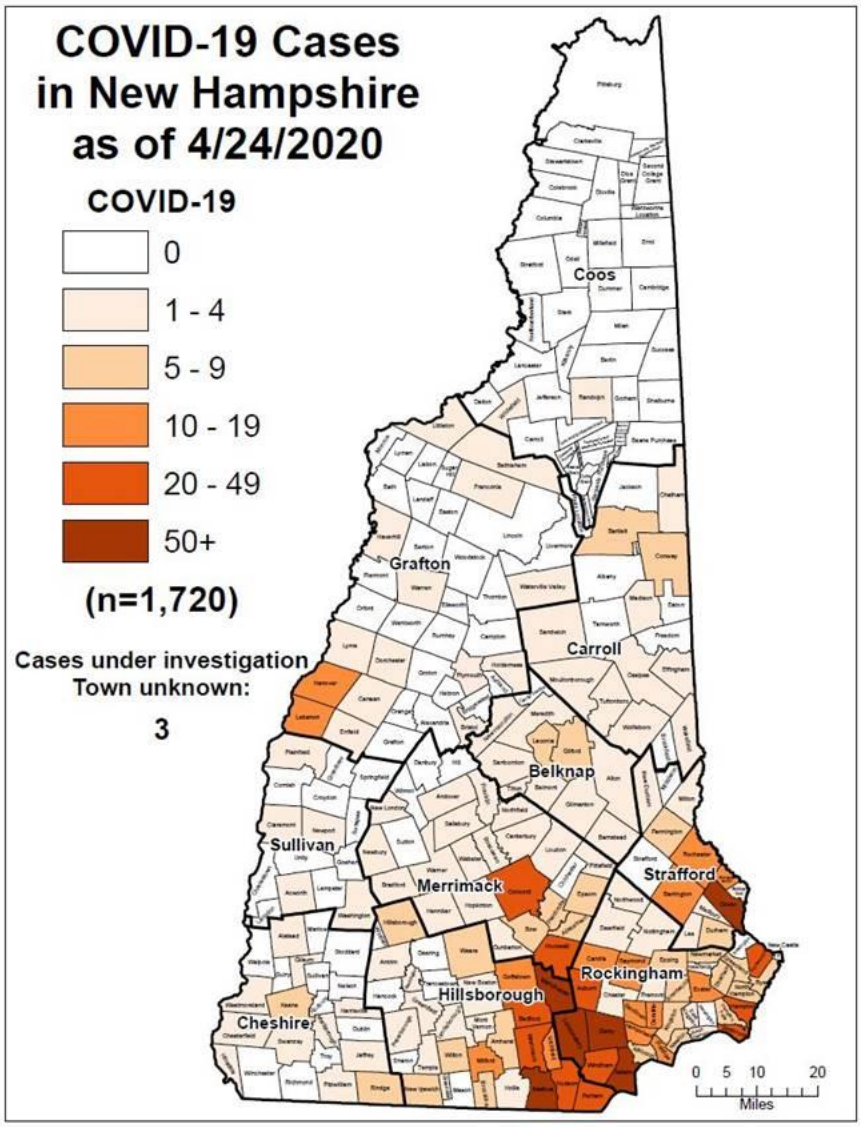

On Friday, April 24, 2020, DHHS announced 53 new positive test results for COVID-19. There have now been 1,720 cases of COVID-19 diagnosed in New Hampshire. Several cases are still under investigation. Additional information from ongoing investigations will be incorporated into future COVID-19 updates. Of those with complete information, all are adults with 52% being female and 48% being male. The new cases reside in Rockingham (15), Hillsborough County other than Manchester and Nashua (9), Strafford (3), Merrimack (2), Belknap (2), Grafton (1), and Sullivan (1) counties, and in the cities of Manchester (15) and Nashua (5).

Six new hospitalized cases were identified for a total of 224 (13%) of 1,720 cases. Five of the new cases have no identified risk factors. Community-based transmission continues to increase in the State and has been identified in all counties with cases. Most of the remaining cases have either had travel to domestic or international locations or have had close contact with a person with a confirmed COVID-19 diagnosis.

DHHS has also announced two additional deaths related to COVID-19. We offer our sympathies to the family and friends.

- One male resident of Strafford County, who was 60 years of age or older
- One male resident of Rockingham County, who was 60 years of age or older

Current Situation in New Hampshire
