NH DHHS COVID-19 Update – April 27, 2020

Concord, NH – The New Hampshire Department of Health and Human Services (DHHS) has issued the following update on the new coronavirus, COVID-19.

On Monday, April 27, 2020, DHHS announced 75 new positive test results for COVID-19. There have now been 1,938 cases of COVID-19 diagnosed in New Hampshire. Several cases are still under investigation. Additional information from ongoing investigations will be incorporated into future COVID-19 updates. Of those with complete information, there are four individuals under the age of 18 and the rest are adults, with 49% being female and 51% being male. The new cases reside in Rockingham (25), Hillsborough County other than Manchester and Nashua (10), Belknap (4), Merrimack (2), Cheshire (2), and Carroll (1) counties, and in the cities of Manchester (13) and Nashua (12). The county of residence is being determined for 6 new cases.

Four new hospitalized cases were identified for a total of 246 (13%) of 1, 938 cases. Five of the new cases have no identified risk factors. Community-based transmission continues to increase in the State and has been identified in all counties with cases. Most of the remaining cases have either had travel to domestic or international locations or have had close contact with a person with a confirmed COVID-19 diagnosis.

Current Situation in New Hampshire

County	Cases
Belknap	35
