NH DHHS COVID-19 Update – May 3, 2020

Concord, NH – The New Hampshire Department of Health and Human Services (DHHS) has issued the following update on the new coronavirus, COVID-19.

On Sunday, May 3, 2020, DHHS announced 90 new positive test results for COVID-19. There have now been 2,518 cases of COVID-19 diagnosed in New Hampshire. Several cases are still under investigation. Additional information from ongoing investigations will be incorporated into future COVID-19 updates. Of those with complete information, there is one individual under the age of 18 and the rest are adults with 51% being female and 49% being male. The new cases reside in Rockingham (32), Hillsborough County other than Manchester and Nashua (13), Strafford (6), Merrimack (3), and Belknap (1) counties, and in the cities of Manchester (18) and Nashua (12). The county of residence is being determined for five new cases.

Five new hospitalized cases were identified for a total of 282 (11%) of 2,518 cases. Nine of the new cases have no identified risk factors. Community-based transmission continues to increase in the State and has been identified in all counties with cases. Most of the remaining cases have either had travel to domestic or international locations or have had close contact with a person with a confirmed COVID-19 diagnosis.

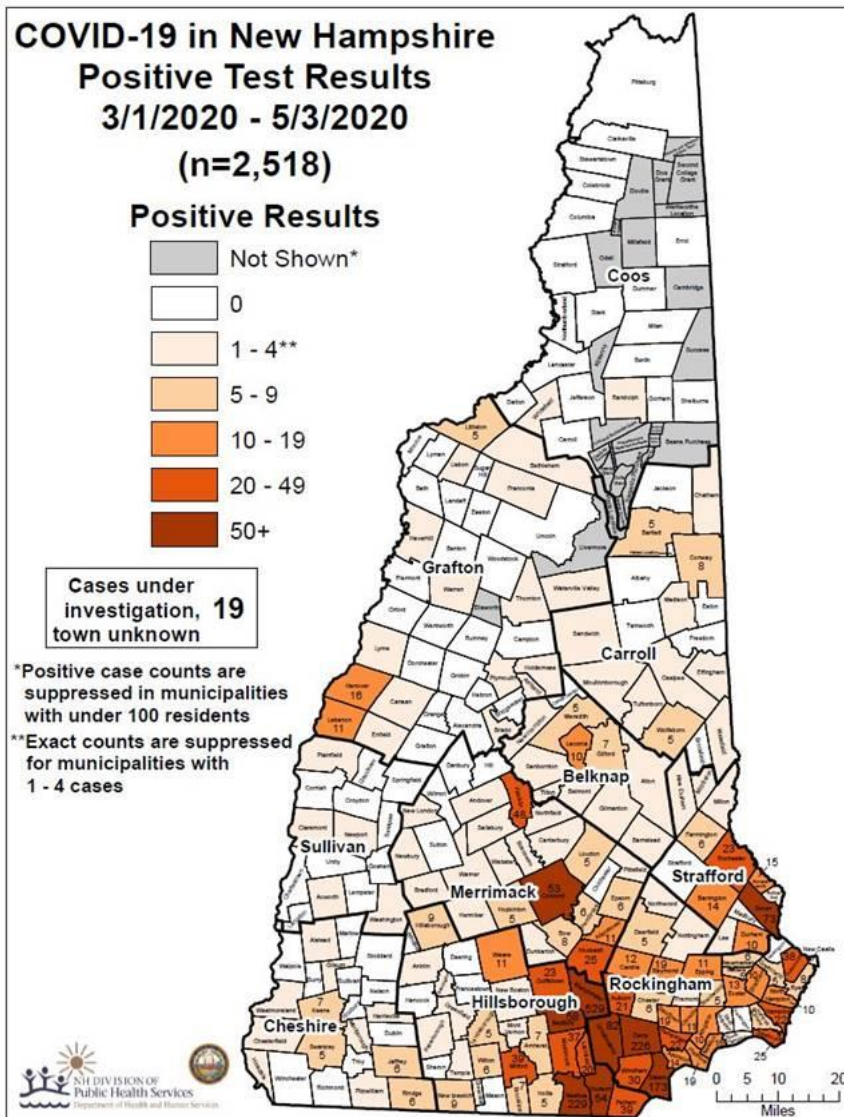

DHHS has also announced 2 additional deaths related to COVID-19. We offer our sympathies to the family and friends.

- One female resident of Hillsborough County, who was 60 years of age or older
- One male resident of Rockingham County, who was 60 years of age older

Current Situation in New Hampshire

County	Cases
Belknap	39
